## Rallies and Events

However, the organization openly organizes rallies, conferences and seminars. It is also important to mention here that, although SSP was banned back in 2002 and it now operates under the banner of Ahl-e Sunnat wal Jamaat, but its leaders still like to call it SSP. Some images of their rallies, conferences and seminars etc are provided below:

The above image is an advertisement of a seminar titled ‘Shaan-e Ameer Muavia.’ This upcoming seminar will be organized in Lahore on January 5, 2013. This advertisement was printed in Sialkot and also provides the link to their website<sup>27</sup>. It also announces that the seminar can also be streamed live on the website.

The above image is of a rally held in Peshawar against the attempt on the life of one of the leaders of Ahl-e Sunnat Wal Jamaat, Allama Muhammad Auranzeb Farooqi. This image was uploaded on Al-Esar's Facebook page<sup>28</sup> on Saturday December 29, 2012.

### Online Magazine

Due to proscription of most of the offline tools employed by the SSP, their cyber wing is actively using the online media to promote the activities of the organization. The organization has a couple of monthly online magazines targeting women, children and men. The following image is of one of their monthly magazines called ‘Sada-e Azeemat.’ This magazine also had a website, which has been blocked. This image is of the August, 2012 edition of the magazine and it is clearly evident that the magazine is published by the SSP internet wing.

This post highlights salient features of a hypocrite. Actually this post is directed towards their opponents. By quoting the Hadith, the organization is trying to strengthen their narrative.

This page is showing that Sunni Muslims are alive for the Palestinian cause and will help the Palestinians in their time of difficulty. This is the job of the state to take a stand against the oppressed not of a militant organization who is taking this as an opportunity to create hate against non Muslims and spread more violence. This post which states that whoever talks against the Prophet (PBUH) will be killed and those who praise the Prophet will be loved. This is another way of creating hate as these organizations use these kinds of tactics to spread hatred against other communities.

According to this page people of different schools of thought or different ideologies who differ from the philosophy of AhleSunnatwalJamaat/SSP should be killed as according to them they do not consider the Prophet (PBUH) and his teachings sacred.

اسلام زندہ باد - طالبات زندہ باد

بہ صرف ایمان کی طاقت تھی کہ افغانستان میں خند جہادیوں نے مل کر دنیا کی سب سے بڑی سہر باور امریکا اور 32 ممالک کی فوج کو دنیا کے جدید اسلحے کے ساتھ شکست دے دی۔ وہ سب صرف اللہ بر ایمان رکھنے سے ہوا۔ جب افغانستان میں طالبان کی حکومت تھی تو پاکستان چمن سے لوگ وباں اپنے مقدمے کے قیصلے کروائی جاتی تھی اور ساری دنیا جانشی میں جو سکون انہیں تھا وباں۔ صرف اللہ بر ایمان پوتا ہے تو تھوڑے لوگوں سے بھی اللہ کامیابی دلوں دینا ہے۔
